**Incredible Convenience :** We hold our classes right at your school, so you don't have to travel to get the great quality music classes you want for your kids.

**Amazing Curriculum :** We offer a progressive piano curriculum giving students the opportunity to start reading and appreciating music early. Our music programs are specifically designed to aid kids with social, cognitive and fine motor skills, and a piano keyboard will be supplied to each student during class!

- Classical Composer Recognition
- Live Audio Report Cards
- End of Program Recital
- Orchestral Instrument Time
- Right AND Left Hand Practice

**Testimonials from past parents :** *"I was incredibly impressed that the kids could recognize different composers that I myself might not know. Thank you so much for providing my son with exposure to the classics!" -4 year old's parent*
