

GBS EXPRESS

May Fun at GBS

May is bringing us several fun events here at GBS.

May 1st-5th is teacher appreciation week. I would like to encourage you to bring your child's teacher things that your child makes or finds such as cards or flowers.

May 12th at 3pm will be a special Mother's Day performance. Each of our classes will be performing.

May 18th at 10:00am My Reptile Guys will be here presenting an interactive program where the children will learn about reptiles and get to touch several.

May 23rd and May 25th JK1 and JK2 will each visit Frying Pan Farm Park where they will get to see lots of animals and enjoy a hay ride.

May Fun at GBS

This time of year is tricky. Short sleeves, long sleeves, both? We recommend layers! Also, please make sure that your child has a weather appropriate change of clothes in their cubby. Possibly most important is SHOES!!

Please make sure that your child wears closed toed, rubber soled shoes. Kids love to run and climb, especially on the play ground, and shoes of this kind make it safest. If they absolutely must wear shoes that do not fit this description, please bring them shoes that do for the playground and gym.

Sun protection is another warm weather thing that is now upon us. Please put sunscreen on your child(ren) before school in the morning and bring in sunscreen to be reapplied as needed in the afternoon (there is a form that will need filled out in the office.) Hats, and or sunglasses may also be a good idea to help keep your little one enjoying the warm weather without getting burned by the beautiful sun.

Thank you for your help with this!
